Camilla & David's wedding

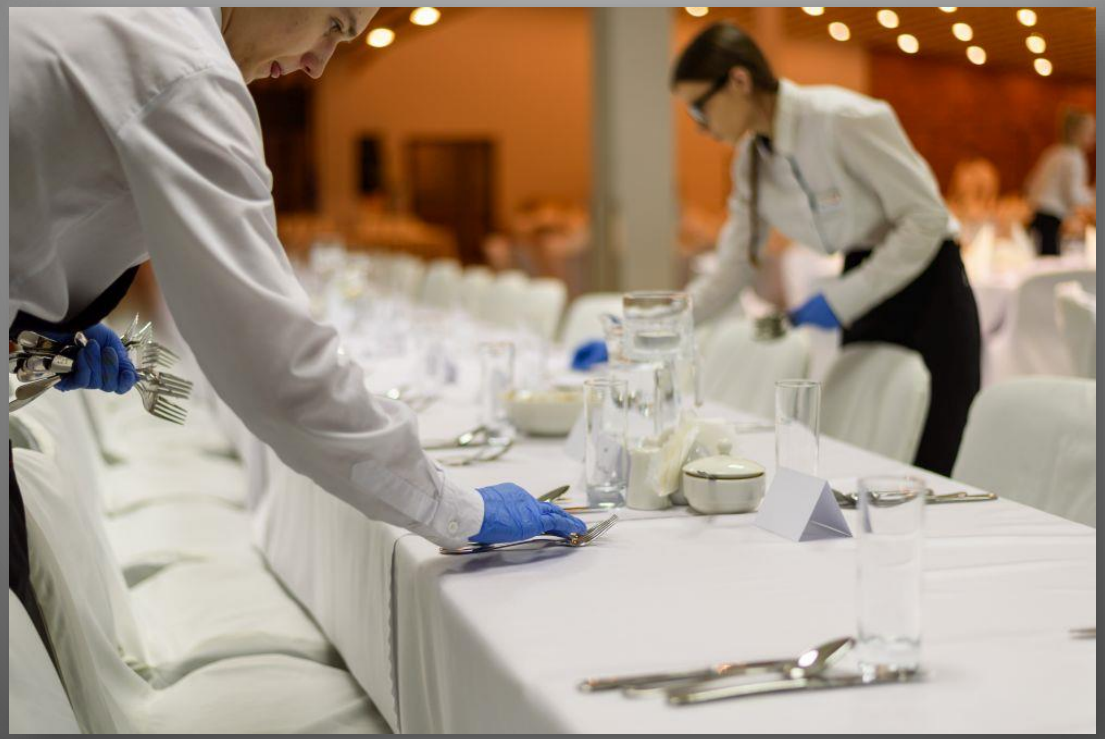
Alicja Adamska

Do you want to organize a birthday, wedding, etc.? You don’t know how to do it? It isn’t a problem. I can offer you my company called Alice-catering. I have been running my business since 2018. I’ ve got experience. I was preparing Camilla and David’s wedding last weekend.

My work plan:

- catering operations,
- food service requirements,
- service planning,
- menu selection,
- alcohol management.

Camilla and David’s wedding was in the „Goplana” (restaurant). There were 80 guests at this event. My company offers waiter service.



Menu selection

Alice: Let's talk about your menu.
Camilla: Ok. I thought the broth would be the first.
Alice: That's a good idea. And for the second course?
Camilla: I don't know. Maybe potatoes, some fish and salad?
Alice: I suggest a salmon in red pepper with grilled cherry tomatoes and Greek yoghurt. What do you think about it?
Camilla: Great. I will choose it.
Alice: For desert, maybe a strawberry-blueberry cake?
Camilla: Ok. That sounds good.

Alcohol selection

Whiskey sour
